As mentioned from the beginning, the pilot phase of the **ATSAP Academy** has a funding period until 31.03.2025. Due to the very tight timeframe of the **ATSAP Academy** funding, the 48 months of scholarship we are aiming for can only be made fully available if the scholarship

ATSAF Academy
Academy for International Agricultural Research for Development

begins in April 2021. Due to this the following deadlines, **especially for the Progress Evaluations reports by the supervision team**, must be met.

*Every 6 months the scholar shall submit a progress report to the supervision team (see Collaboration Agreement). The format and length of this report shall be agreed upon team internally.

**Progress Evaluation after 18 months to be submitted to ATSAF Academy. The Progress Evaluation must be prepared by the scholar's supervision team. In case the supervision team will give a justified negative evaluation and the recommendation NOT to continue the ATSAF Academy scholarship, the payments will be stopped after one month. A template will be provided by the ATSAF Academy.

***Progress Evaluation after 30 months to be submitted to ATSAF Academy. The Progress Evaluation must be prepared by the scholar's supervision team indicating if or if not, the PhD will be awarded to the scholar within the next 18 months. In case of a positive evaluation, the scholarship can be extended by another 12 months. A template will be provided by the ATSAF Academy.

****Final report, prepared by the scholar and to be submitted to ATSAF Academy. A template will be provided by the ATSAF Academy.
